

NOVEMBER 27, 2025: Be it Known this Day, Thanksgiving 2025

Be it known this, the 27th day of November, 2025, Thanksgiving Day, that I am preparing the biggest and most important lawsuit to be filed in generations.

I am proud to have this opportunity and I look forward to presenting my paperwork and arguments in a court of law.

I am doing my best now to gather the appropriate proofs and documents from military-based sources and reliable academic research to present this matter in its most convincing and most appreciable light.

“‘Q-Anon’ was a psychological warfare operation conducted by the United States military to influence the American public toward their own chosen puppet-candidate, Donald Trump, who was then and is still acting now as a military deception of oppression on behalf of a Nazi coup de tat in America. This Nazi coup de tat has taken up residence as a private nuisance to my personal home and it is threatening me and targeting me to prevent me from exercising my legal rights.”
